Click the checkbox to the left of the American Access RTR Product Name.

The screenshot shows the TurboRater Administration interface. At the top, there is a navigation bar with the TurboRater logo and 'Administration' text. Below this is the page title 'Edit Company Group'. A search bar shows 'Company Group Name: American Access'. Filter options include 'Insurance Line: Personal Auto', 'Product: Illinois', and 'Filter: Show All Companies'. A table lists various product names with checkboxes in the 'Active' column. The 'American Access RTR' product is highlighted with a red circle around its checkbox. Other products listed include AAA, Affirmative Choice Value 6 and 12 R, Allied, Allstate, Am. Freedom Dynamic Auto, Am. Freedom Popular Auto, American Access, and American Access Gateway.

Click Edit Info (to the right of the American Access RTR Product Name) to type your producer code (use capital letters for IL) in both the Producer Code field and the Sub-Code field.

This screenshot shows the 'Edit Info' form for the 'American Access RTR' product. The 'Edit Info' link is highlighted with a red circle. Below it, the 'Producer Code' and 'Sub-Code' fields are also highlighted with a red circle and contain the text '8782-0000-IL'. The 'User Name' and 'Password' fields are empty. The table below shows the product name and the 'Edit Info' link.

Type your user name exactly as you log into AAXIS in the User Name field. Password is not needed here.

The screenshot shows a web browser window with the URL <https://autorating.iwantinsurance.com/1.0.36>. The page title is "TurboRater Administration" and the main heading is "Edit Company Group". There is an "Exit Administration" button in the top right corner.

The "Edit Company Group" section includes the following filters:

- Company Group Name: American Access
- Insurance Line: Personal Auto
- Product: Illinois
- Filter: Show All Companies

Lastly, click the checkbox to the left of the American Access Product Name to stop using manufactured rates and use only Real Time Rates. Click Save Changes when you are done.

The screenshot shows the 'Edit Company Group' page in the TurboRater Administration system. The page title is 'Edit Company Group' and the breadcrumb is 'Administration > Edit Company Group'. The main content area features a table of company groups with columns for 'Active', 'Product Name', 'Producer Code', 'Sub-Code', 'User Name', 'Password', and 'Bridge Help'. The 'American Access' product is highlighted in yellow and has its checkbox checked, indicated by a red circle. Below the table, there are several icons and a legend: a scale for 'Insurance Score', a gear for 'Realtime', a building for 'Premium Finance', a star for 'Click to Rate', a question mark for 'Bridge Only', and a shopping cart for 'Consumer Can Bind Online through TurboRater for Websites'. The 'Save Changes' button is circled in red. At the bottom, there is a footer with 'ITC Home - Remote Access - FAQ/Knowledge Base - Terms & Conditions - Fair Credit Reporting Act Disclaimer' and '©2017 Insurance Technologies Corporation'.

This error appears with rating if there is a mistake in the User Name or Producer code. You can go back to the Administration/Edit Companies page to make any corrections.

The screenshot shows an error dialog box titled 'American Access RTR - Errors'. The message reads: 'The customer identifier CustId specified is invalid or not found(8e362db6-c799-4739-a55a-995a28a30fd6)'. The dialog has an 'Ok' button. In the background, a table shows 'American Access RTR' with a red 'X' icon and the text 'Rate not provided'. The table also shows 'Car/Driver #', 'Payments', and 'Payment Amount' columns. The total rate time is 0.92 seconds.
