Further, the Company will no longer have any obligation at all to defend any claims or suits against any insured. **Financial Responsibility Laws.** When this policy is certified as proof of financial responsibility for the future under the provisions of any motor vehicle financial responsibility law, such insurance as is afforded by the policy for bodily injury liability or for property damage liability shall comply with the provisions of such law to the extent of the coverage and limits of liability required by such law, but in no event in excess of the limits of liability stated in this policy. The insured agrees to reimburse the Company for any payment made by the Company which it would not have been obligated to make under the terms of this policy except for the agreement contained in this paragraph.

**Limits of Liability.** The limit of liability for this "1 - Bodily Injury Liability Coverage" as stated in the Declarations as applicable to "each person" is the maximum limit of the Company's liability for all damages, including damages for care and loss of services and loss of consortium, arising out of bodily injury sustained by any one person as the result of any one accident. Subject to this limit for "each person", the limit of liability as stated in the Declarations as applicable to "each accident" for this "1 - Bodily Injury Liability Coverage" is the maximum limit of the Company's liability for all damages, including damages for care and loss of services and loss of consortium, arising out of bodily injury sustained by two or more persons as the result of any one accident.

The limit of liability for this "2 - Property Damage Liability Coverage" as stated in the Declarations as applicable to "each accident" is the maximum limit of the Company's liability for all damages arising out of injury to or destruction of all property of one or more persons or organizations, including the loss of use thereof, as the result of any one accident.

Therefore, these limits of liability for this "1 - Bodily Injury Liability Coverage" and for this "2 - Property Damage Liability Coverage" are the most the Company will pay under each said coverage regardless of the number of:

- (1) insureds;
- (2) claims made or suits resulting from bodily injury or property damage;
- (3) automobiles or separated itemizations of premiums stated in the Declarations;
- (4) automobiles involved in the accident.

The limits for any coverage for any automobile under this policy may not be aggregated with the limits for any similar coverage, whether provided by the Company or another insurer, applying to other motor vehicles, for purposes of determining the total limit of insurance coverage available for bodily injury suffered by a person in any one accident.

Therefore, the total limit of liability under all the policies, whether provided by the Company or another insurer shall not exceed the highest applicable limit of liability under any one policy.

**Other Insurance.** If the insured has other insurance against a loss covered by Part A - "Bodily Injury Liability and Property Damage Liability" Coverage of this policy the Company shall not be liable under this policy for a greater proportion of such loss than the applicable limit of liability stated in the Declarations bears to the total applicable limit of liability of any

valid and collectible insurance against such loss; provided, however, the insurance with respect to a temporary substitute automobile or non-owned automobile shall be excess insurance over any other valid and collectible insurance, liability bond or self-insurance.

## **PART B - UNINSURED MOTORIST COVERAGE Coverage**

### **3 – Uninsured Motorist Bodily Injury; Coverage**

**4 – Uninsured Motorist Property Damage.** To pay all sums which the insured or his/her legal representative shall be legally entitled to recover as compensatory damages only and not for any punitive or exemplary damages from the owner or operator of an uninsured motor vehicle because of property damage to an automobile described in the policy and bodily injury sustained by the insured, caused by accident and arising out of the ownership, maintenance or use of such uninsured motor vehicle, provided, for the purposes of this coverage, determination of whether the insured or such representative is legally entitled to recover such damages, and if so the amount thereof, shall be made by agreement between the insured or such representative and the Company or, if they fail to agree, by arbitration as herein provided. Recovery under this Part for “property damage” is subject to the payment of a specific separate premium for uninsured motorist property damage coverage..

No judgment against any person or organization alleged to be legally responsible for the bodily injury or property damage shall be admissible in evidence or conclusive, as between the insured and the Company, of the issues of liability of such person or organization or of the amount of damages to which the insured is legally entitled unless such judgment is entered pursuant to an action prosecuted by the insured with the written consent of the company.

- (2) the Company insures under this coverage all automobiles owned by the named insured on the date of such acquisition and the named insured notifies the Company in writing within 30 days after the date of such acquisition of his/her decision to make this and no other policy issued by the Company applicable to such automobile;
- (c) a temporary substitute automobile for an insured automobile as defined in (a) or (b) above, and

To the extent that this provision conflicts with this policy’s exclusion for claims received by the Company more than two (2) years after the accident, this provision shall control.

However, the term “uninsured motor vehicle” does not include any vehicle or equipment:

- (1) owned by or furnished or available for the regular use of an insured or a relative of the named insured who causes bodily injury or property damage in excess of the limit required under the Illinois Financial Responsibility Law;
- (2) owned or operated by a self-insurer within the meaning of any motor vehicle financial responsibility law, motor carrier law or any similar or other law;

- (e) to bodily injury to any person while occupying any automobile not owned by, or furnished or available for the regular use of the named insured or any relative while such automobile is used as a public or livery conveyance for a fee; but this exclusion does not apply to:

  - (2) the named insured or any relative;
- (f) while any covered automobile is in the control of an excluded operator;
- (g) to bodily injury to an insured while occupying an automobile (other than an insured automobile), motorcycle or any other motor vehicle owned by the named insured or relative or by being struck by such automobile;
- (h) to any bodily injury or property damage which is either

- (i) to bodily injury of an insured while occupying a motor vehicle owned by, or furnished or available for the regular use of the insured, a resident spouse or resident relative, if that motor vehicle is not described on the declarations of this policy under which a claim is made or is not a newly acquired or replacement automobile covered under the terms of this policy;
- (j) if Underinsured Motorist Coverage applies to the accident.
- (k) arising out of the operation of any automobile designed for racing while being tested, repaired or serviced, or to any automobile while used, operated, manipulated or maintained in any pre-arranged or organized racing event;
- (l) to any claim for which the Company has not received a written claim by or on behalf of the insured within two years of the date of the accident;
- (m) any person operating or occupying an automobile without a reasonable belief that he or she is entitled to do so, however this exclusion does not apply to the named insured or a relative with respect to the owned automobile;
- (n) to any claim for which the Company does not receive a written demand for arbitration within two years of the date of accident, or, if coverage for the claim is based on a court order of rehabilitation or liquidation by reason of insolvency of an insurer, within the later of two years of the date of the accident or six months of entry of the court order of rehabilitation or liquidation by reason of insolvency;
- (o) bodily injury or property damage arising out of the operation, occupation or use of a motor vehicle during or in connection with the commission of a crime or while attempting to elude police.

**Limits of Liability.**

- (a) The limit of liability as stated in the Declarations for this Uninsured Motorist Coverage as applicable to “each person” is the maximum limit of the Company’s liability for all insureds for all damages including damages for care and loss of services and loss of consortium arising out of bodily injury sustained by any one person as a result of any one accident. Subject to this limit for “each person”, the limit of liability as stated in the Declarations for this Uninsured Motorist Coverage as applicable to “each accident” is the maximum limit of the Company’s liability for all damages, including damages for care and loss of services and loss of consortium arising out of bodily injury sustained by two or more persons as a result of any one accident.

Therefore, these limits of liability for this Uninsured Motorist Coverage are the most the Company will pay under this coverage regardless of the number of:

- (1) insureds;

- (2) claims made or suits resulting from bodily injury or property damage;
- (3) automobiles or separated itemizations of premiums stated in the Declarations; or
- (4) automobiles involved in the accident.

The limits for any coverage for any automobile under this policy may not be aggregated with the limits for any similar coverage, whether provided by the Company or another insurer, applying to other motor vehicles, for purposes of determining the total limit of insurance coverage available for bodily injury suffered by a person in any one accident. Therefore, the total limit of liability under all the policies, whether provided by the Company or another insurer shall not exceed the highest applicable limit of liability under any one policy.

- (b) Any amount payable under the terms of Part B - "Uninsured Motorists" Coverage because of bodily injury sustained in an accident by a person who is an insured under Part B - "Uninsured Motorists" Coverage shall be reduced by:
  - (1) all sums paid for bodily injury by or on behalf of (i) the owner or operator of the uninsured automobile and (ii) any other person or organization jointly or severally liable together with such owner or operator for such bodily injury including all sums paid under "1 - Bodily Injury Liability" Coverage of Part A - "Bodily Injury Liability and Property Damage Liability" Coverage; and
  - (2) the amount paid and the present value of all amounts payable for bodily injury under any worker's compensation law or any similar law.
- (c) Any payment made under Part B - "Uninsured Motorists" Coverage to or for any insured shall be applied in reduction of the amount for damages which the insured may be entitled to recover from any person under "1 - Bodily Injury Liability" Coverage of Part A - "Bodily Injury Liability and Property Damage Liability" Coverage.
- (d) The Company shall not be obligated to pay under this coverage that part of the damages which the insured may be entitled to recover from the owner or operator of an uninsured motor vehicle which represents medical payments paid or payable under Part D - "Medical Payments" Coverage.
- (e) Any amount payable under Part B - "Uninsured Motorists" Coverage shall be reduced by all sums paid to the insured for property damage on behalf of the owner or operator of the uninsured motor vehicle and any other person or organization jointly or severally liable together with such owner or operator.
- (f) Property damage losses recoverable hereunder shall be limited to damages caused by the actual physical contact of an identifiable uninsured motor vehicle with the automobile described in the policy.
- (g) There shall be no coverage for loss of use of the insured automobile and no coverage for loss or damage to personal property located in the insured automobile.
- (h) There shall be no liability imposed under the Uninsured

Motorist Property Damage Coverage if the owner or the operator of the vehicle at fault or the hit-and-run motor vehicle cannot be identified.

- (i) If coverage is provided to a motor vehicle, defined herein as an uninsured motor vehicle, under a bond or insurance policy having limits less than required by the Illinois Financial Responsibility Law, then the Company's maximum limit of liability under this Part for "each person" is the difference between the limit as stated on the declarations of this policy for injury to one person and the corresponding limit provided in such bond or insurance policy, and the Company's maximum limit of liability under this part for "each accident" is the difference between the limit as stated on the declarations of this policy for injury to 2 or more persons and the corresponding limit provided in such bond or insurance policy.

**Other Insurance.** With respect to bodily injury to an insured while occupying an automobile not owned by the named insured, the insurance under Part B - "Uninsured Motorists" Coverage shall apply only as excess insurance over any other similar insurance available to such insured and applicable to such automobile as primary insurance, and this insurance shall then apply only in the amount by which the limits of liability for this coverage exceeds the applicable limit of liability of such other insurance.

Except as provided in the foregoing paragraph, if the insured has other similar insurance available to him/her and applicable to the accident, the damages shall be deemed not to exceed the higher of the applicable limits of liability of this insurance and such other insurance, and the Company shall not be liable for a greater proportion of any loss to which this coverage applies than the limit of liability hereunder bears to the sum of the applicable limits of liability of this insurance and such other insurance.

**Arbitration.** Any dispute with respect to the coverage and the amount of damages shall be submitted for arbitration to the American Arbitration Association and shall be subject to its rules of the conduct of arbitration hearings as to all matters except medical opinions. As to medical opinions, if the amount of damages being sought is equal to or less than the amount provided for in Section 7-203 of the Illinois Motor Vehicle Code, then the current American Arbitration Association Rules shall apply. If the amount being sought in an American Arbitration Association case exceeds that amount as set forth in Section 7-203 of the Illinois Motor Vehicle Code, then the Rules of Evidence that apply in the circuit court for placing medical opinions into evidence shall govern. Alternatively, disputes with respect to damages and the coverage shall be determined in the following manner: Upon the insured requesting arbitration, each party to the dispute shall select an arbitrator and the 2 arbitrators so named shall select a third arbitrator. Any decision made by the arbitrators shall be written and shall be binding for the amount of damages not exceeding \$75,000 for bodily injury to or death of any one person \$150,000 for bodily injury to or death of 2 or more persons in any one motor vehicle accident or the corresponding policy limits under this Part, whichever is less. Arbitrations before a three arbitrator

panel shall be subject to the rules of evidence in Illinois courts, except to the extent the use of such rules is modified by the Illinois Insurance Code. Each party shall bear the cost of his/her own arbitrator and shall share equally the cost of the third arbitrator. All arbitration hearings under this policy shall take place in the Illinois county in which the insured resides and in accordance with the usual rules governing procedures and admissions of evidence in courts of law of that county and not in accordance with any court mandated arbitration or mediation rules. If the person demanding arbitration does not reside in Illinois, then arbitration shall take place in an Illinois county in which the Company has an office. Any person making claim here under shall answer written question under oath when served by the Company, as well as comply with the Company's request for production of documents supporting that person's claim. No arbitrator shall have authority to hear or decide class or representative claims.

**Trust Agreement.** In the event of payment to any person under Part B - "Uninsured Motorists" Coverage:

- (a) the Company shall be entitled to the extent of such payment to the proceeds of any settlement or judgment resulting from the exercise of any rights of recovery of such person against any person or organization legally responsible for the property damage or bodily injury for which the payment is made, including the proceeds recoverable from the assets of any insolvent insurer;
- (b) such person shall hold in trust for the benefit of the Company all rights of recovery which he/she shall have against any other person or organization because of the damages which are the subject of claim made under Part B - "Uninsured Motorists" Coverage;
- (c) such person shall do whatever is proper to secure such rights and shall do nothing after loss to prejudice such rights;
- (d) if requested in writing by the Company or its representative, such person shall take, through any representative designated by the Company, such actions as may be necessary or appropriate to recover such payment as damages from any other person or organization, such action to be taken in the name of such person; in the event of a recovery, the Company shall be reimbursed out of such recovery for expenses, costs and attorneys' fees incurred by it in connection therewith;
- (e) such person shall execute and deliver to the Company such instruments and papers as may be appropriate to secure the rights and obligations of such person and the Company established by these provisions.

**Legal Action Against the Company Under This Part B - "Uninsured Motorists" Coverage.** No suit, action or arbitration proceedings for recovery of any claim may be brought against this Company until the insured has fully complied with all the terms of this policy. Further, any suit, action or arbitration will be barred unless commenced within two (2) years after the date of the accident. Arbitration proceedings will not commence until this Company receives at the same time (1) the insured's written demand for arbitration

and (2) the insured's written selection of an arbitrator.

#### **PART C - UNDERINSURED MOTORIST COVERAGE**

**Coverage 5 - Underinsured Motorist** To pay all sums which an insured or his/her legal representative shall be legally entitled to recover as compensatory damages only and not for any punitive or exemplary damages from the owner or operator of an underinsured motor vehicle because of bodily injury sustained by an insured and caused by an accident arising out of the ownership, maintenance or use of the underinsured motor vehicle provided, for the purposes of this coverage, determination as to whether the insured or his/her legal representative is legally entitled to recover such damages, and if so the amount thereof, shall be made by agreement between the insured and the Company or, if they fail to agree, by arbitration as herein provided. No judgment against any person or organization alleged to be legally responsible for the bodily injury shall be conclusive, as between the insured and the Company, of the issues of liability of such person or organization or of the amount of damages to which the insured is legally entitled unless such judgment is entered pursuant to an action prosecuted by the insured with the written consent of the Company. The Company shall not be obligated to pay under this coverage until the limits of liability under all bodily injury liability bonds or policies applicable to the underinsured motor vehicle and its operator have been exhausted by payment of judgments or settlements.

**Definitions.** Except as provided in Part C, the definitions under Part A - "Bodily Injury Liability and Property Damage Liability" Coverage apply to Part C - "Underinsured Motorists" Coverage and under Part C - "Underinsured Motorists" Coverage the following definitions apply:

**"Insured"** means:

- (a) the **named insured and any relative of the named insured;**
- (b) any person while lawfully occupying an **owned vehicle;** and,
- (c) any other person, with respect to damages he is entitled to recover because of bodily injury to which this Part applies sustained by an insured under (a) or (b) above.

The insurance afforded under Part C applies to each insured, but the inclusion herein of more than one insured shall not operate to increase the limits of the Company's liability.

**"Underinsured motor vehicle"** means a land motor vehicle or trailer of any type to which a bodily injury liability bond or policy applies at the time of the accident but its limit for bodily injury liability is less than the limit of liability for this Underinsured Motorist Coverage.

**However,** "underinsured motor vehicle" does not include any vehicle or equipment:

- (a) owned by or furnished or available for the regular use of an insured or any relative of the named insured;
- (b) owned by any governmental unit or agency;
- (c) operated on rails or crawler-treads;
- (d) designed for use principally off public roads while not upon public roads;

- (e) while located for use as a residence or premises and not as a vehicle;
- (f) owned or operated by a person qualifying as a self-insurer under any applicable motor vehicle law;
- (g) to which a bodily injury liability bond or policy applies at the time of the accident, but the bonding or insuring company denies coverage or is or becomes insolvent;
- (h) which is defined as an "uninsured motor vehicle" under Part B - "Uninsured Motorists" Coverage;
- (i) which is insured under Part A - "Bodily Injury Liability and Property Damage Liability" Coverage - "1 - Bodily Injury Liability" Coverage and "2 - Property Damage Liability" Coverage; or
- (j) to which a bodily injury liability bond or policy applies at the time of the accident but its limit for bodily injury liability is less than the minimum limit for bodily injury liability specified by the Financial Responsibility Law of Illinois.

**Exclusions.** This policy does not apply and does not provide coverage under this Part C - "Underinsured Motorist" Coverage:

- (a) to any person while occupying an automobile when it is being used to carry persons or property for a fee;
- (b) to bodily injury incurred by any person operating or occupying any automobile without a reasonable belief that he or she is entitled to do so, however this exclusion shall not apply to the named insured or a relative regarding the owned automobile;
- (c) so as to inure directly or indirectly to the benefit of any worker's compensation or disability benefits carrier or any person or organization qualifying as a self-insurer under any worker's compensation or disability benefits law or any similar law;
- (d) to any claim alleging punitive or exemplary damages against the owner or operator of an underinsured motor vehicle or to the payment of any award, finding, verdict or judgment against the owner or operator of an underinsured motor vehicle for punitive or exemplary damages;
- (e) if Part B - "Uninsured Motorist" Coverage applies to the accident;
- (f) while any automobile is in the control of an excluded operator;
- (g) to any insured while occupying a vehicle the insured owns which is insured for this Underinsured Motorist Coverage under another policy; or
- (h) to bodily injury of an insured while occupying a motor vehicle owned by, or furnished or available for the regular use of the insured, a resident spouse or resident relative, if that motor vehicle is not described in this policy under which claim is made or is not a newly acquired or replacement automobile covered under the terms of this policy.
- (i) arising out of the operation of any automobile designed for racing while being tested, repaired or serviced, or to any automobile while used, operated, manipulated or maintained in any pre-arranged or organized racing event;

- (j) to any claim for which the Company has not received a written demand for arbitration under this Part before the later of: 2 years after the date of the accident or 6 months after the limits of liability or portion thereof under all bodily injury liability insurance policies, bonds or other security applicable to the underinsured motor vehicle and its operator have been partially or fully exhausted by payment of judgment or settlement or insolvency;
- (k) arising out of the operation, occupation or use of a motor vehicle during or in connection with the commission of a crime or while attempting to elude police;
- (l) to bodily injury which is either expected or intended by the insured or incurred by an insured occupant of a vehicle who is complicit in the intentional act of the driver of that vehicle.

**Limit of Liability.** The limit of liability as shown in the Declarations for "each person" for Underinsured Motorist Coverage, less those amounts actually recovered under the applicable bodily injury insurance policies, bonds or other security maintained on the underinsured motor vehicle, is the Company's maximum limit of liability for all damages due to bodily injury to one person. Bodily injury to one person includes all injury and damages, including loss of service, society or consortium, to others resulting from this bodily injury. The limit of liability as shown in the Declarations for "each accident" is the maximum amount of coverage, less the amounts actually recovered under the applicable bodily injury insurance policies, bonds or other security maintained on the underinsured motor vehicle, subject to the above provision respecting each person, for all bodily injury to two or more persons in the same accident. The limits of liability are not increased because more than one person is insured at the time of the accident or if more than one claim is made or more than one automobile is insured under this policy. If the insured has Underinsured Motorist Coverage available under more than one policy or provision of coverage, recovery or benefits may be equal to, but may not exceed the higher of the applicable limits of the respective coverage and the limits of liability for Underinsured motorist Coverage shall not be increased because of multiple motor vehicles covered under this policy.

The limit of liability under this policy shall be reduced by: (a) all sums paid because of bodily injury coverage by or on behalf of persons or organizations that may be legally responsible; (b) payments for bodily injury coverage by or on behalf of persons or organizations that may be legally responsible; (c) any payment for bodily injury or medical expense under any other part of this policy; and (d) all sums paid or payable to or for the insured because of the bodily injury under any worker's compensation law or similar law. If more than one policy is issued by this Company to any person and applies under this Part, the total limit of this Company's liability under all such policies shall not exceed the amount applicable under only one policy.

The Company shall not be obligated to make payment under this coverage until the limits of liability or portion thereof

under all bodily injury liability insurance policies applicable to the underinsured motor vehicle and its operators have been partially or fully exhausted by payment of judgment or settlement.

If the Company and the insured or his/her legal representative agree that the insured suffered bodily injury as a result of negligent operation, use or maintenance of an underinsured motor vehicle and also agree on the damages resulting therefrom, then a judgment or settlement of the bodily injury claim in an amount less than the limits of liability coverage applicable to the claim shall not preclude the claimant from making an underinsured motorist claim under this policy. The maximum amount payable pursuant to such a settlement agreement shall not exceed the amount by which the limits of the Underinsured Motorist Coverage exceed the limits of bodily injury liability insurance of the owner or operator of the underinsured motor vehicle. Such agreement shall be final as to the amount due and shall be binding upon the insured and the Company regardless of the amount of any judgments, or any settlement reached between any insured and the person or persons responsible for this accident. No such settlement shall be concluded unless: (i) the insured has complied with all other applicable policy terms and conditions; and (ii) before the conclusion of the settlement agreement, the insured has filed suit against the underinsured motor vehicle owner or operator and has not abandoned the suit, or settled the suit without preserving the rights of the Company, provided, however, that suit against the underinsured owner and operator may be dismissed where the Company has been given notice in advance of a settlement between the insured and the underinsured motorist and the Company fails to advance a payment to the insured in an amount equal to the tentative settlement within 30 days following receipt of such notice.

**Other Insurance.** With respect to bodily injury to an insured while occupying a motor vehicle not owned by the named insured, the insurance under Part C - "Underinsured Motorists" Coverage shall apply only as excess insurance over any other similar insurance available to such insured and applicable to such motor vehicle as primary insurance, then this insurance shall apply only in the amount by which the limit of liability for Part C - "Underinsured Motorists" Coverage exceeds the applicable limit of liability of such other insurance.

Except as provided in the foregoing paragraph, if the insured has other similar insurance available and applicable to the accident, the damages shall be deemed not to exceed the higher of the applicable limits of liability of this insurance and such other insurance, and the Company shall not be liable for a greater proportion of any loss to which Part C - "Underinsured Motorists" Coverage applies than the limit of liability hereunder bears to the sum of the applicable limits of liability of this insurance and such other insurance.

**Arbitration.** Any dispute with respect to the coverage and the amount of damages shall be submitted for arbitration to the American Arbitration Association and shall be subject to its rules of the conduct of arbitration hearings as to all matters except medical opinions. As to medical opinions, if the amount of damages being sought is equal to or less than the amount

provided for in Section 7-203 of the Illinois Motor Vehicle Code, then the current American Arbitration Association Rules shall apply. If the amount being sought in an American Arbitration Association case exceeds that amount as set forth in Section 7-203 of the Illinois Motor Vehicle Code, then the Rules of Evidence that apply in the circuit court for placing medical opinions into evidence shall govern. Alternatively, disputes with respect to damages and the coverage shall be determined in the following manner: Upon the insured requesting arbitration, each party to the dispute shall select an arbitrator and the 2 arbitrators so named shall select a third arbitrator. If such arbitrators are not selected within 45 days from such request, either party may request that the arbitration be submitted to the American Arbitration Association. Any decision made by the arbitrators shall be written and shall be binding for the amount of damages not exceeding \$75,000 for bodily injury to or death of any one person \$150,000 for bodily injury to or death of 2 or more persons in any one motor vehicle accident or the corresponding policy limits under this Part, whichever is less. Arbitrations before a three arbitrator panel shall be subject to the rules of evidence in Illinois courts, except to the extent the use of such rules is modified by the Illinois Insurance Code. Each party shall bear the cost of his/her own arbitrator and shall share equally the cost of the third arbitrator. All arbitration hearings under this policy shall take place in the Illinois county in which the insured resides and in accordance with the usual rules governing procedures and admissions of evidence in courts of law of that county and not in accordance with any court mandated arbitration or mediation rules. If the person demanding arbitration does not reside in Illinois, then arbitration shall take place in an Illinois county in which the Company has an office. Any person making claim here under shall answer written question under oath when served by the Company, as well as comply with the Company's request for production of documents supporting that person's claim. No arbitrator shall have authority to hear or decide class or representative claims.

**Trust Agreement.** In the event of payment to any person under Part C - "Underinsured Motorists" Coverage:

- (a) the Company shall be entitled to the extent of such payment to the proceeds of any settlement or judgment resulting from the exercise of any rights of recovery of such person against any person or organization legally responsible for the property damage or bodily injury for which the payment is made, including the proceeds recoverable from the assets of any insolvent insurer;
- (b) such person shall hold in trust for the benefit of the Company all rights of recovery which he shall have against any other person or organization because of the damages which are the subject of claim made under Part C - "Underinsured Motorists" Coverage;
- (c) such person shall do whatever is proper to secure such rights and shall do nothing after loss to prejudice such rights;
- (d) if requested in writing by the Company or its representative, such person shall take, through any

representative designated by the Company, such actions as may be necessary or appropriate to recover such payment as damages from any other person or organization, such action to be taken in the name of such person; in the event of a recovery, the Company shall be reimbursed out of such recovery for expenses, costs and attorneys' fees incurred by it in connection therewith;

- (e) such person shall execute and deliver to the Company such instruments and papers as may be appropriate to secure the rights and obligations of such person and the Company established by these provisions.

**Legal Action Against the Company Under This Part C - "Underinsured Motorists" Coverage.** No suit, action or arbitration proceedings for recovery of any claim may be brought against this Company until the insured has fully complied with all the terms of this policy. Further, any suit, action or arbitration will be barred unless the Company shall have received an unqualified, written demand for arbitration within the later of: : 2 years after the date of the accident or 6 months after the limits of liability or portion thereof under all bodily injury liability insurance policies, bonds or other security applicable to the underinsured motor vehicle and its operator have been partially or fully exhausted by payment or judgment or settlement.

#### **PART D - MEDICAL PAYMENTS COVERAGE**

**Coverage 6 - Medical Payments** To pay all reasonable expenses incurred and submitted to the Company within one year from the date of accident for necessary medical, surgical, X-ray and dental services, including prosthetic devices, and necessary ambulance, hospital, professional nursing and funeral services to or for the named insured and each relative who sustains bodily injury caused by accident, while occupying an automobile; or to or for any other person who sustains bodily injury caused by accident, while occupying:

- (a) the owned automobile, while being used by an insured; or
- (b) a non-owned automobile, if the bodily injury results from its operation by an insured provided no such payment shall be made unless the person to or for whom such payment is made shall have executed a written agreement that the amount of such payment shall (1) be applied toward the settlement of any claim or the satisfaction of any judgment for damages entered in his/her favor, (2) against any insured because of bodily injury arising out of an accident to which the Part A - "Bodily Injury Liability and Property Damage Liability" Coverage applies.

**Definitions.** The definitions under Part A - "Bodily Injury Liability and Property Damage Liability" Coverage apply to Part D - "Medical Payments" Coverage.

**Exclusions.** This policy does not apply and does not provide coverage under Part D - "Medical Payments" Coverage to bodily injury:

- (a) sustained while occupying (1) an automobile while used for a delivery purpose during the course of business or for other commercial purpose, or (2) any automobile while located for use as a residence or premises;
- (b) sustained by the named insured or a relative (1) while occupying an automobile owned by or furnished for the regular use of either the named insured or any resident of the household of the named insured, other than an automobile defined herein as an "owned automobile", or (2) while occupying or as a result of being struck by (i) a motor vehicle or other equipment designed for use principally off public roads while not upon public roads, or (ii) a vehicle operated on rails or crawler-treads;
- (c) sustained by any person other than the named insured or a resident of the household of the named insured, resulting from use of (1) a non-owned automobile while used in the automobile business, or (2) a non-owned automobile in any other business or occupation except operation or occupancy of private passenger automobile by the named insured or by his/her private chauffeur or domestic servant or a trailer used therewith or with an owned automobile;
- (d) sustained by any person who is employed in the automobile business, if the accident arises out of the operation thereof and if benefits therefor are in whole or in part either payable or required to be provided under any worker's compensation law;
- (e) from loss due to war;
- (f) to the extent any medical expense is paid or payable to or on behalf of the injured person under the provisions of any other (i) insurance affording benefits for medical expenses, (ii) individual, blanket group accident, disability or hospitalization insurance, (iii) medical or surgical reimbursement plan, or (iv) worker's compensation or any similar law;
- (g) resulting from the hazardous properties of nuclear material and arising out of the operation of a nuclear facility by any person or organization;
- (h) arising out of the operation of any automobile designed for racing while being tested, repaired or serviced, or to any automobile while used, operated, manipulated or maintained in any pre-arranged or organized racing event;
- (i) while any automobile is in the control of an excluded operator;
- (j) incurred by any person while operating or occupying any automobile without a reasonable belief that he or she is entitled to do so, however this exclusion does not apply to the named insured or a relative with regard to the operation of the owned automobile;
- (k) arising out of the operation, occupation or use of a motor

vehicle during or in connection with the commission of a crime or while attempting to elude police.;

- (l) arising out of the operation or occupation of a motor vehicle in such circumstances where bodily injury is either expected or intended by the insured or incurred by an insured occupant of a vehicle who is complicit in the intentional act of the driver of that vehicle.

**Arbitration.** If any person making claim hereunder and the Company do not agree that a medical bill submitted for payment is not usual and customary or necessary and reasonable or do not otherwise agree that it is payable under Part D, these matters shall be submitted to arbitration. Upon the insured or the Company demanding arbitration, the insured and the Company shall each select a qualified arbitrator and the two arbitrators so named shall select a third arbitrator. The three arbitrators so selected shall hear and determine the questions in dispute. Any decision made by the arbitrators shall be binding for the amount decided by the arbitrators to be payable hereunder not exceeding the limits of liability for Medical Payments as provided in the Declarations of this policy subject to all other terms and conditions of this policy. To the extent that an arbitration decision exceeds the limit of liability, it is void. The authority of the arbitrators is limited to a determination of the amount due for Medical Payments and does not extend to punitive damages or other damages other than Medical Payments covered by this policy. Each party shall bear the cost of his/her own arbitrator and shall share equally the costs of the third arbitrator. No arbitrator shall have authority to hear or decide class or representative claims.

**Limits of Liability.** The limit of liability for this Medical Payments Coverage as stated in the Declarations as applicable to "each person" is the maximum limit of the Company's liability for all expenses incurred by or on behalf of each person who sustains bodily injury as the result of any one accident.

Therefore, this limit of liability for this medical payments coverage is the most the Company will pay under this coverage regardless of the number of:

- (1) insured;
- (2) claims made or suits resulting from bodily injury;
- (3) automobiles or separated itemizations of premium stated in the Declarations; or
- (4) automobiles involved in the accident.

The limits for any coverage for any automobile under this policy may not be aggregated with the limits for any similar coverage, whether provided by the Company or another insurer, applying to other motor vehicles, for purposes of determining the total limit of insurance coverage available for bodily injury suffered by a person in any one accident. Therefore, the total limit of liability under all the policies, whether provided by the Company or another insurer shall not exceed the highest applicable limit of liability under any one policy.

**Other Insurance.** If there is other automobile medical payments insurance against a loss covered by Part D -

"Medical Payments" Coverage of this policy, the Company shall not be liable under this policy for a greater proportion of such loss than the applicable limit of liability stated in the Declarations bears to the highest applicable limit of liability of any valid and collectible automobile medical payments insurance; provided, however, the insurance with respect to a temporary substitute automobile or non-owned automobile shall be excess insurance over any other valid and collectible automobile medical payments insurance.

**Legal Action Against the Company Under This Part D - "Medical Payments" Coverage.** No suit, action or arbitration for recovery of any claim may be brought against this Company until the named insured, relative, or any other person has fully complied with all the terms of this policy. Further, any suit or action will be barred unless commenced within two years after the date of the accident.

#### **PART E - PHYSICAL DAMAGE COVERAGE**

For the purpose of this coverage, breakage of glass and loss caused by missiles, falling objects, fire, theft or larceny, explosion, earthquake, windstorm, hail, war, flood, malicious mischief or vandalism, riot or civil commotion shall not be deemed to be loss caused by collision. **Coverage Terminates:** on the date of reasonably satisfactory completion of repairs or the date the Company and the named insured agree the automobile is a total loss but in no event more than the maximum number of days as stated on the declaration page.

**Payment of Loss.** At the Company's option, the Company may pay to the insured for loss in money or provide a substitute form of transportation. In no event shall a claim for rental reimbursement be accepted by the Company unless a verified, itemized statement of rental charges is supplied by the insured within thirty (30) days after the date of loss from a licensed or recognized automobile rental agency or business. This insurance is applicable in addition to any other valid or collectible collision insurance available to the insured.

**Supplementary Payments.** In addition to the applicable limit of liability:

- (a) to reimburse the insured for transportation expenses not exceeding \$10 per day or totaling more than \$200 incurred during the period commencing 72 hours after a theft covered by this policy of the entire automobile has been reported to the Company and the police, and terminating on the date the whereabouts of the automobile becomes known to the named insured or Company or on such earlier date as the Company tenders settlement for such theft;
- (b) to pay general average and salvage charges for which the insured becomes legally liable as to the automobile being transported.

**Other Insurance.** If the insured has other insurance against a loss covered by Part E - "Physical Damage" Coverage of this policy, the Company shall not be liable under this policy for a greater proportion of such loss than the applicable limit of liability of this policy bears to the total applicable limit of liability of all valid and collectible insurance, self insurance or bond against such loss.

#### **PART F – NON-OWNER FILING POLICY**

**Non-Owner's Policy** - If this policy is written as a **Non-Owner** or **Non-Owner Filing Policy** as shown on the Declarations, it is agreed that, notwithstanding any provision of this policy to the contrary, such insurance as is afforded under this policy only applies with respect to the use of any "non-owned automobile" and not with respect to any "owned automobile", subject to the following provisions which control over any conflicting provisions in this policy:

1. For all purposes in this policy "named insured" shall mean only such person as is specifically named on the Declarations and does not include a spouse.
2. In Parts A, B and C, "Persons Insured" shall mean only the named insured.
3. Such insurance as is afforded under Part D shall apply only to medical expenses incurred by the named insured and by any other person lawfully occupying a non-owned automobile operated by the named insured, with permission of its owner.
4. This policy does not apply to any automobile owned by or furnished for the regular use of the named insured or his/her spouse or any resident of the household of the named insured.

5. No Physical Damage coverage shall be afforded under this policy.

6. In Parts A, B, C and D of this policy the Other Insurance provision is replaced as follows: This insurance shall be excess over any other valid and collectible insurance.

#### **PART G - CONDITIONS**

##### **Unless Otherwise Noted, Conditions Apply To All Parts**

**1. Policy Period, Territory.** This policy applies only to accidents and losses during the policy period, as stated in the Declarations, while the automobile is within the United States of America, its territories or possessions, or Canada or is being transported between ports thereof. This policy may be renewed for successive policy periods by payment of the required premium to the Company on or before the expiration date of each policy period. If the premium is not paid when due, the policy shall terminate as of that date and such date shall be the end of the policy period. Premium shall be computed in accordance with the manuals currently in use by the Company. Each policy period shall begin and end at 12:01 A.M. standard time at the address of the named insured.

**2. Premium.** During the term of this policy and any renewal thereof, the named insured shall immediately inform the Company of each change in the garaging address of an insured vehicle, of each new resident driver, of the suspension or revocation of the driver license of the named insured or of any resident driver, and of any other change in the persons or vehicles for which coverage is provided hereunder so as to allow the Company to determine whether and under what premium and conditions to continue coverage under this policy. If the named insured disposes of an automobile or changes residence address, he/she shall inform the Company in writing within 30 days of such change. If the named insured acquires ownership of an additional or replacement automobile, he/she shall inform the Company in writing within 30 days following acquisition of his/her decision to make this and no other policy issued by the Company applicable to such owned automobile. Any premium adjustment necessary shall be effective as of the date of such change or acquisition in accordance with the manuals currently in use by the Company. The named insured shall, upon request, furnish reasonable proof of the number of such automobiles or trailers and a description thereof.

If, at any time, the Company becomes aware of any operator residing in the insured's household, "resident operator" or any "regular operator" of an insured automobile, other than an excluded operator who is not named on the declaration page as a named insured or operator or becomes aware that the residence of the named insured has changed and the inclusion of that person as a named insured or operator or the address of such residence under the policy would require a higher rate class, the policy will at the Company's option be declared null and void or be endorsed to the correct rate class effective:

- a. on the inception date of the policy if such person was a "resident operator" or "regular operator" as of the inception date of the policy; or

- b. on the date such person became a "resident operator" or "regular operator" if such person became a "resident operator" or "regular operator" during the policy period,
- c. on the date such residence changed,

and the named insured will be liable for the difference between the total premium you have been charged for your coverage and the total amount of premium you would have been charged for that coverage had such person been named on the declaration page as an insured or operator or had you disclosed such person to the Company as an operator or driver when such person became a resident operator or regular operator or had the change of address been reported to the Company.. However, in those instances where the insured has made a claim under the collision or comprehensive coverages of this policy and the repair or replacement cost of the insured vehicle minus the deductible shall be less than the additional premium, as stated above, the Company shall limit its recovery from the insured to the cost of the repairs or replacement of the insured vehicle.

For purposes of Condition 2, "resident operator" means any person who resides in the insured's household and who at any time during the policy period uses or operates an insured automobile, and "regular operator" means any person who operates an insured automobile and to whom such automobile is made available for his/her regular use.

**3. Notice.** In the event of an accident or loss, written notice containing particulars sufficient to identify the insured and also reasonably obtainable information with respect to the time, place and circumstances thereof, and the names and address of the injured and of available witnesses, shall be given by or on behalf of the insured directly to the Company as soon as practicable. However, in the case of a "hit and run" claim under Part B, notice must be given to the Company in writing within 30 days of the accident. If claim is made or suit is brought against an insured, he/she shall immediately forward to the Company every demand, notice, summons or other process received by him/her, his/her representative or agent. The Company will not be obligated to pay, and shall not pay under Part A - "Bodily Injury Liability and Property Damage Liability" Coverage, unless the Company received actual notice of a lawsuit before a judgment had been entered in said suit.

If, before the Company makes a payment of loss under Parts A - "Bodily Injury Liability and Property Damage Liability", B - "Uninsured Motorists", C - "Underinsured Motorists", D - "Medical Payments", or E - "Physical Damage" Coverages, the insured or his/her legal representative shall institute any legal action for bodily injury or property damage against any person or organization legally responsible for the use of an automobile involved in the accident, a copy of the summons and complaint or other process served in connection with such legal action shall be forwarded immediately to the Company by the insured or his/her legal representative.

All notices which may be required by this policy shall be in writing and shall be served personally or by certified mail, return receipt requested. For the purpose of all time limitations,

notice shall be deemed to have been given on the date when so placed in the United States mail, postage prepaid.

Notice shall be given as follows:

To The Company  
American Access Casualty Company  
1 S 450 Summit Ave., Suite 230  
Oakbrook Terrace, IL 60181

To The Insured(s):

Notice shall be given to the person(s) designated as the "Named Insured(s)" on the Declarations Page which is a part of this policy as issued, at the last known address for the "named insured".

**4. Fraud and Misrepresentation.**

(a) If there has been a misrepresentation or false warranty, made with actual intent to deceive or which materially affects either the risk or hazard assumed by the Company, made by the insured or in his behalf in the negotiation for this policy, or breach of condition of such policy, and if said misrepresentation or false warranty or breach of condition is stated in the policy or endorsement or rider attached thereto, or in the written application for this policy, then this policy shall be null and void and of no benefit, provided, however that the Company, during the lesser of the first year of the policy or the first term of the policy, rescinds the policy and declares this policy void. If the policy has been in effect more than the lesser of one year or the first policy term, then the Company shall not rescind this policy. Notwithstanding any other provisions of this policy, this policy shall provide no coverage or benefit to any person who makes a fraudulent statement or omission or engages in fraudulent conduct with respect to any accident of loss for which coverage or a benefit is sought under this policy or any renewal of this policy.

**(b) Premium Adjustment.** If, at any time, the Company becomes aware of a misrepresentation that would have made the risk ineligible or resulted in a higher premium charge, the Company reserves the right to retroactively endorse the policy to the correct premium charge. In the event that the Company exercises that right, the named insured will be liable for the total premium amount charged for the applicable coverage, which shall include any additional premium amounts that the named insured would have been charged had such misrepresentation not been made. In addition, a three hundred percent (300%) surcharge, based on the total premium amount the named insured would have been charged for the coverage had such misrepresentation not been made, will be assessed against the policy. However, the amount charged shall not exceed the claim amount, in the event that such claim is the reason the Company becomes aware of the misrepresentation. The total premium amount charged will be calculated based on the earlier of (1) the inception date of the policy, or (2) the date the misrepresentation occurred during the policy period. Nothing in this Condition shall preclude the Company from exercising or pursuing any other right or remedy available under law.

**5. Two or More Automobiles.** When two or more automobiles are insured hereunder, an automobile and a trailer attached thereto shall be held to be one automobile as respects limits of liability under Parts A - "Bodily Injury Liability and Property Damage Liability", B - "Uninsured Motorists", C - "Underinsured Motorists" and D - "Medical Payments" Coverages of this policy.

**6. Assistance and Cooperation of the Insured.** The insured shall cooperate with the Company and, upon the Company's request or through attorneys selected by the Company to represent the insured must:

- (a) attend hearings and trials as the Company requires;
- (b) assist in making settlements, securing and giving evidence, obtaining the attendance of witnesses and in the conduct of any legal proceedings in connection with the subject matter of this insurance;
- (c) not voluntarily make any payment, except at his/her own cost, assume any obligation or incur any expense other than for such immediate medical and surgical relief to others as shall be imperative at the time of accident, and shall not make any admissions as to fault;
- (d) notify the Company of any change of his/her address or residence during the pendency of any suit against the insured;
- (e) send the Company promptly any legal papers received relating to any claim or suit;
- (f) submit to physical examinations at the Company's expense by doctors we choose as often as we may reasonably require;
- (g) authorize the Company to obtain medical and any other records we deem pertinent to a claim investigation;
- (h) provide any written proofs of loss the Company requires;
- (i) allow the Company to take signed and recorded statements and answer all questions we may ask when and as often as we may require;
- (j) submit to examinations under oath as often as the Company requires, outside the presence of any other insured or person to be examined under oath;
- (k) at the Company's request, take such actions as shall be necessary to permit the Company to access electronic data stored in the automobile or remotely, such as but not limited to data stored in systems such as On Star.

The Company has no duty to provide coverage under this policy unless there has been full compliance with these responsibilities.

After the notice of claim under any part of this policy, the Company may require the insured to take such actions as may be necessary or appropriate to preserve his/her right to recover damages from any person or organization alleged to be legally responsible for the bodily injury; and in any action against the Company, the Company may require the insured to join such person or organization as a party defendant. The Company shall reimburse the insured for court costs, jury fees and sheriff's fees arising from this action.

**7. Action Against Company - Part A - "Bodily Injury Liability and Property Damage Liability" Coverage.** No action shall lie against the Company unless, as a condition

precedent thereto, the insured shall have fully complied with all terms of this policy, nor until the amount of the insured's obligation to pay shall have been determined either by final judgment against the insured after actual trial or by written agreement of the insured, the claimant and the Company.

Any person or organization or the legal representative thereof who has secured such final judgment or written agreement shall thereafter be entitled to recover under this policy to the extent of the insurance afforded by this policy. No person or organization shall have any right under this policy to join the Company as a party to any action against the insured to determine the insured's liability, nor shall the Company be impleaded by the insured or his/her legal representative.

**Parts B - "Uninsured Motorists", C - "Underinsured Motorists", D - "Medical Payments" and E - "Physical Damage" Coverages.**

No suit, arbitration, including appraisal, shall lie against the Company unless, as a condition precedent thereof, there shall have been full compliance with the terms of the policy nor under Part E until 30 days after the amount payable has been determined by the Company.

In no event shall suit, arbitration or appraisal be commenced against the Company more than two years after the date of accident, except only in the following circumstances:

(a) under Part B, if coverage is based on entry of a court order of rehabilitation or liquidation by reason of insolvency of an insurer, suit or arbitration shall not be commenced against the Company after the later of: two years after the date of the accident or six months after the entry of such court order of rehabilitation or liquidation by reason of insolvency; or

(b) under Part C, suit or arbitration shall not be commenced after the later of: two years after the date of accident or six months after the limits of liability or portion thereof under all bodily injury liability insurance policies applicable to the underinsured motor vehicle and its operators have been partially or fully exhausted by payment of judgment or settlement.

Wherever this Condition limits the period within which the insured may bring suit, the running of such period is tolled from the date proof of loss is filed with the Company, in whatever form is required by this policy, until the date the claim is denied in whole or in part.

**8. Medical Report; Proof and Payment of Claim - Parts B - "Uninsured Motorists", C - "Underinsured Motorists" and D - "Medical Payments" Coverages.** As soon as practicable any injured person or someone on his/her behalf making claim shall give to the Company written proof, under oath if required, including full particulars of the accident or loss and the nature and extent of the injuries, treatment, and other details entering into the determination of the amount payable. The Company may pay the injured person or any person or organization rendering the services and such payment shall reduce the amount payable hereunder for injury, but such payment shall not constitute an admission of liability of any person or of the Company.

If required, the insured and every other person making claim shall submit to examinations under oath by any person named by the Company and subscribe the same, as often as may reasonably be required. Proof of claim shall be made upon forms furnished by the Company, unless the Company shall have failed to furnish such forms within 15 days after receiving notice of claim. The injured person shall submit to physical examinations by physicians selected by the Company when and as often as the Company may reasonably require and he/she, or in the event of his/her incapacity, his/her legal representative, or in the event of his/her death, his/her legal representative or the person or persons entitled to sue therefore, shall upon each request from the Company execute authorization to enable the Company to obtain medical reports and copies of any and all records needed to evaluate or assess the claim.

**9. Insured Duties in Event of Loss - Part E - "Physical Damage" Coverage.** In the event of loss the insured must:

- (a) allow the Company to inspect and appraise the insured automobile before its repair or disposal.
- (b) protect the automobile, whether or not the loss is covered by this policy, and any further loss due to the insured's failure to protect shall not be recoverable under this policy; reasonable expenses incurred in affording such protection shall be deemed incurred at the Company's request;
- (c) report the loss to the Company within 31 days after loss, and within 60 days thereafter file with the Company his/her sworn proof of loss in such form and including such information as the Company may reasonably require;
- (d) upon the Company's request, exhibit the damaged property and submit to examination under oath; and
- (e) in the event of theft, report the loss promptly, or as soon as practicable, after the insured is made aware of such theft, to police, peace, or judicial officers, or the Commissioner of Motor Vehicles.

The Company has no duty to provide coverage under this policy unless there has been full compliance with these duties.

**10. Appraisal – Part E - "Physical Damage" Coverage.** If the insured and the company fail to agree as to the amount payable, then the dispute shall be decided by appraisal as described herein. The insured and the Company shall each select a competent appraiser, and the appraisers shall select a competent and disinterested umpire. The appraisers shall

state separately the actual cash value of the vehicle at the time of the accident and the amount necessary to repair the damage under Part E and, failing to agree, submit their differences to the umpire. The appraisers and the umpire shall use forms supplied by the Company and shall abide by the terms, definitions and conditions of the policy. An award in writing of either the two appraisers or one appraiser and the umpire shall determine the amount payable under this policy. The determination in appraisal of the actual cash value of the vehicle and of the amount necessary to repair the damage under Part E shall be binding as between the insured and the Company. The award shall specify the application of the deductible. The insured and the Company shall each pay his/her or its chosen appraiser and shall bear equally the other expenses of the appraisal and umpire. The Company shall not be deemed to have waived any of its rights by any act relating to appraisal. No appraiser or umpire shall have authority to hear or decide class or representative claims.

**11. Payment of Loss.** Any amount due is payable (a) to the insured, or (b) if the insured is a minor to his/her parent or guardian, or (c) if the insured is deceased to his/her surviving spouse, otherwise (d) to a person authorized by court order to receive such payment or to a person legally entitled to recover the damages which the payment represents; provided, the Company may at its option pay any amount due in accordance with provision (d) hereof.

**Part E - "Physical Damage" Coverage.** The Company may pay for the loss in money, or may repair or replace the damaged or stolen property; or may, at any time before the claim is paid or the property replaced, at its own expense, return any stolen property to the named insured, or at its option, to the address shown in the Declarations, with payment for any resultant damage thereto less deductible; or may take all or such part of the property at the agreed or appraised value, but there shall be no abandonment to the Company. The Company may settle any claim under Part E either with the insured, with the loss payee, if the automobile is deemed by the Company to be a total loss, or with the owner of the property. If the insured or owner elects to have the automobile repaired at a facility of his/her or her own choosing and that facility charges more than the Company would pay for the repair at another licensed auto repair facility reasonably available, then the Company may tender the amount payable under its estimate and the insured or owner will be responsible to pay the difference to the repair facility of his/her or her own choosing. If hidden or additional damage is identified, then the Company shall be given an opportunity to estimate the cost of such additional repair and the Company may tender such additional amount payable pursuant to its additional estimate.

**12. No Benefit to Bailee - Part E - "Physical Damage" Coverage.** The insurance afforded by this policy shall not inure directly or indirectly to the benefit of any carrier or other bailee for hire which is liable for loss to the automobile.

**13. Subrogation.** In the event of any payments under this policy, the Company shall be subrogated to all the rights of recovery therefore which the insured, an injured person or any other person receiving such payment may have against any person or organization and they shall execute and deliver instruments and papers and do whatever else is necessary to secure such rights. Such person shall do nothing after loss to prejudice such rights.

In the event of any payment under Part C - "Underinsured Motorists" Coverage, the Company shall not exercise any right of subrogation under a policy providing additional Uninsured Motorist Coverage against an underinsured motorist where the Company has been provided with written notice in advance of a settlement between its insured and the underinsured motorist and the Company fails to advance a payment to the insured, in an amount equal to the tentative settlement, within 30 days following a receipt of such notice.

**14. Changes.** The terms of this policy shall not be waived or changed, except by endorsement issued by the Company to form a part of this policy. Notice to or knowledge possessed by any person shall not be waived or changed, except by endorsement issued by the Company to form a part of this policy. Notice to or knowledge possessed by any person shall not effect a waiver or a change in any part of this policy or stop the Company from asserting any right under the terms of this policy.

**15. Assignment.** Assignment of interest under this policy shall not bind the Company until its consent is endorsed hereon; if, however, the named insured, or his/her spouse, if a resident of the same household, shall die during the policy period, this policy shall cover:

(1) the survivor as named insured, (2) his/her legal representative as named insured but only while acting within the scope of his/her duties as such, (3) any person having proper temporary custody of an owned automobile, as an insured, until the appointment and qualification of such legal representative, and (4) under Part D any person who was a relative at the time of such death.

**16. Cancellation.** This policy may be canceled by the named insured by surrender thereof to the Company or any of its authorized agents or by mailing to the Company written notice stating when thereafter the cancellation shall be effective. This policy may be cancelled by a premium finance company acting pursuant to a power of attorney in its financing contract, and the Company shall honor the date of cancellation as set forth in the request from the premium finance company without requiring the return of the policy and without requiring a copy of the premium finance contract. The Company may rely on the representations in a premium finance company's request to cancel.

This policy may be canceled by the Company by mailing to the named insured and the loss payee at their last known addresses written notice stating when not less than 30 days thereafter such cancellation shall be effective, however, where cancellation is for non-payment of premiums at least ten (10) days notice must be given. The Company shall not exercise its right to cancel the policy after it has been in effect for sixty

(60) days or in any subsequent renewal period, except for the reasons set forth in Section 5/143.19 of the Illinois Insurance Code.

The Company shall not fail to renew any policy of insurance unless it shall mail notice of such to the named insured at least thirty (30) days prior to the date of expiration. This provision shall not apply if the Company has manifested its willingness to renew directly to the named insured or in the case of non-payment. If the Company does not issue a non-renewal notice and renewal is not offered, this policy shall terminate only on the effective date of any similar insurance procured by the insured with respect to the same subject or location designated in both policies.

Renewal of a policy does not constitute a waiver or estoppel with respect to grounds for cancellation which existed before the effective date of such renewal.

After this policy has been effective or renewed for 5 or more years, the Company shall not exercise its right of non-renewal, except for the reasons set forth in Section 5/143.19.1 of the Illinois Insurance Code.

All notices of cancellation or non-renewal shall include a specific explanation of the reason or reasons for cancellation or non-renewal. The mailing of notice as aforesaid on a recognized U.S. Post Office form or a form acceptable to the U.S. Post Office or other commercial mail delivery service shall be sufficient proof of notice, and a copy of such notice shall be sent to the insured's producer of record, and loss payee of record, at the last mailing address known to the Company.

In the event of the cancellation of this policy, earned premiums shall be computed pro-rata to the date of cancellation. Any refund of the premium shall be without prejudice to any claim arising prior to the cancellation, and such refund shall be made to the named insured's producer of record by the Company within 30 days from:

- (1) the date of the notice of cancellation by the Company, or
- (2) the date the Company receives the request for cancellation from the named insured or its representatives, but payment or tender of unearned premium is not a condition of cancellation.

**17. Declarations.** By acceptance of this policy, the named insured agrees that the statements and representations contained in the Application, have been made by him/her or on his/her behalf and said statements and representations and the statements in the Application and in any subsequent Application or questionnaire accepted by the Company are offered as an inducement to the Company to issue or continue this policy and this policy is issued and continued in reliance upon the truth of such statements and representations and this policy embodies all agreements existing between himself/herself and the Company or any of its agents relating to this insurance.

**18. Excluded Drivers.** If at the time of an accident a person is identified on the declarations or on an endorsement to this policy as Excluded, and if the accident involves operation of any motor vehicle by such person, then notwithstanding any

other provision of this policy, no coverage of any kind under this policy is owing or payable to any person with respect to such accident and the Company is not obligated to defend any person in any legal action concerning that accident.

**19. Authorized Agents.** No person shall be deemed an agent of the Company unless such person is authorized in writing as such agent by an officer of the Company.

**LOSS PAYEE.** Loss under this policy shall be payable as interest may appear to the person or organization named in the Declarations as loss payee, provided this insurance as to such interest for any bailment lessor, conditional vendor, mortgagee or assignee of bailment lessor, conditional vendor or mortgagee (herein called the lien holder) has not been invalidated by any act or neglect of the insured owner of the covered automobile nor by any change in the title of ownership of the same. Further, in the event of conversion, embezzlement or secretion by the insured owner of the covered automobile, interest under the said bailment lease, conditional sale, mortgage or other encumbrance is not covered under this policy, unless specifically insured against and premium paid therefor; and provided also, in case the named insured has neglected to pay any premium due under this policy, the lien holder has paid the same. The lien holder shall notify the Company of any change of ownership or increase of hazard which shall come to the knowledge of said lien holder and, if accepted by the Company, it shall be endorsed herein and the lien holder shall, on demand, pay the premium for any such increased hazard for the term of the use thereof; otherwise this policy shall be null and void.

If this Company elects to cancel this policy at any time as provided by its terms, the Company shall notify the lien holder when not less than ten (10) days thereafter such cancellation shall be effective as to the interest of said lien holder therein and the Company shall have the right, on like notice, to cancel this agreement.

Should the insured fail to render Proof of Loss within the time granted in the conditions of this policy, the lien holder shall do so within sixty (60) days thereafter, in the form and in the manner as provided by this policy; and further, shall be subject to the provisions of this policy relating to appraisal and time of payment and of bringing suit. Whenever the Company shall pay the lien holder any sum for loss under this policy and shall claim that, as to the named insured, no liability therefore existed, the Company shall, to the extent of such payment, be thereupon legally subrogated to all the rights of the party to whom such payment shall be made, under securities held as collateral to the debt, or may at its option, pay to the lien holder the whole principal due or to grow due on the mortgage with interest, and shall thereupon receive a full assignment and transfer of the mortgage and of all such other securities; but no subrogation shall impair the right of the lien holder to recover the full amount of its claim.

The interest of the lien holder is protected by these provisions subject to all terms, conditions, and exclusions contained in this policy, which policy is available to the lien holder upon request.

IN WITNESS WHEREOF, the Company has caused this policy to be signed by its authorized representatives, but this policy shall not be valid unless completed by the attachment hereto of a Declarations page.
