

## **Attention Texas Agents!** **Effective Immediately**

Due to inclement weather conditions in Texas, we have suspended binding Comp/Collision on any new business, reinstates and endorsements in the following areas until further notice:

- Houston
- Beaumont
- San Antonio
- Austin

We are allowing renewals at this point but will also suspend these coverages once this hits and will require inspections on everything for an additional 48 hours after the storm subsides.

Most of the areas are saturated with rain and therefore the concerns are for additional flooding to occur.

**Thank you for your continued business!**
