

Attention Texas Agents!

Effective Immediately

Due to the inclement weather conditions in Texas, we encourage all our agents to take photos and inspect all vehicles when writing Comp/Coll coverages to any and all policies.

Attached is a Vehicle Inspection Form to utilize. When completing the Vehicle Inspection Form, check if the vehicle sustained any flood damages. Please be sure to place the policy number on the form and either fax it in to the Underwriting Department or keep a copy on file for any future audits.

Thank you for your continued business!
