

**Effective:**  
**November 1, 2012 – SR22 New Business**

On a go forward basis, the Underwriting Department will run a motor vehicle report (MVR) on all new SR22 Nevada business with the exception of Non-Owner policies.

The procedure is as follows:

- Underwriting support will run the MVR's on a daily basis for policies submitted the previous business day.
- The MVR will then be evaluated by an Underwriter. All undisclosed violations and accidents will be endorsed within three business days of the submitted date.
- When the cancel bill generates it will include any increase in premium caused by the endorsement processed.
- Please be advised some policies may be cancelled for underwriting reasons based on the risk.
