

Betterment Changes

**You have spoken and we are listening!!
We respect your opinion and have changed our philosophy to support your
agency**

**Effective 11/4/2008
We have reduced our Betterment Guidelines to now only charge
Betterment on two items:**

***TIRES AND BATTERIES
NOTHING ELSE!!***

**What are your other companies charging your valuable clients for
Betterment? You might be surprised!!**

**If there is any other support that we can offer you, please notify your
Underwriter at (630) 645-7777**
