

## **AA WEBSITE NEWSFLASH**

**American Access is pleased and excited to announce the introduction of our public website launching this Sunday, June 13. The website is designed to be both informative and resourceful for our producers.**

**All Point of Sale (AAXIS) users will be directed to the new website when they go to [www.aains.com](http://www.aains.com). Rather than seeing the normal login screen, users will be directed to the new AA website. The Home Page contains the 'Employee and Producer Login' box where users will login to the AAXIS system. Please sign in with your normal User Name and Password. The login box is located on the right-hand side of the page about one third of the way down.**

**Some of the many features of the website are:**

- **Access to the AAXIS Point of Sale system**
- **Access to current and past NEWSFLASHES**
- **Online Supply Request Form**
- **Ability to download Underwriting Manuals and Forms**
- **Ability to download Claim Forms**
- **Access to the American Access AutoWatch claim repair program**
- **Online Feedback form**

**Please navigate through the website to familiarize yourself with the features. If you have comments, please send us your important feedback via the Agents tab/Feedback button. We are interested in hearing what you have to say!**
